Legal Daily: [Safeguarding the Growth of Minors with Law, the "Prosecutors' Public Lecture" Series Broadcasts on Kuaishou](#)

December 4th of this year marks the 11th National Constitution Day. How to enable children to better learn the Constitution, understand the law, and know how to protect their own rights and interests has become a focus of attention from all sectors of society. Recently, the prosecutors' public lecture series launched by the Justice Network has been exclusively broadcast on Kuaishou, themed "The Best Protection Is 'Constitution' for You," bringing a constitutional education class to young people.
