Securities Times: [Kuaishou's MSCI ESG Rating Upgraded to "A"](#)

International rating agency MSCI has released its latest Environmental, Social, and Governance (ESG) ratings, upgrading Kuaishou's ESG rating from "BBB" to "A." This marks the first time Kuaishou has achieved an "A" rating since being included in MSCI's assessment, placing it among top-tier domestic internet companies in terms of overall ESG performance. This upgrade reflects Kuaishou's successful systematic efforts in ESG initiatives across environmental protection, social responsibility, and corporate governance.
