Rule of Law Net: [The “2025 Kuaishou Minor Protection Report” Released: Minor Mode Can Be Launched with One Click on Terminal](#)

On May 30, under the guidance of the Beijing Municipal Cyberspace Administration, Kuaishou, in collaboration with China Youth Net, released the “2025 Kuaishou Minor Protection Report.” The report indicates that in 2024, Kuaishou continued to optimize product functions and upgraded the Youth Mode to Minor Mode in accordance with the requirements of the “Guidelines for the Construction of Minor Mode on Mobile Internet.” The Kuaishou Minor Mode has also added new features such as themed zones and voice-to-text search. It continues to optimize the content supply for minors, create safe-surfing themed activities, and enrich and optimize the user experience for minors to help them surf the internet safely.
