Yunnan News: [Kuaishou Issues May Day Anti-Fraud Alert: Five High-Risk Scam Tactics to Watch Out For](#)

As the May Day holiday approaches, while people are relaxing and enjoying leisure time, online fraudsters are also working overtime. On April 30, the Kuaishou Security Center issued an anti-fraud alert, analyzing and deconstructing five high-risk scam tactics that have recently emerged, covering minors, middle-aged and elderly people, full-time mothers, and job seekers. Users are reminded to raise their awareness and stay safe during the holiday.
