

“Street Corners”: Unveiling the unseen lives

2023.09.24

Phoenix Weekly : [“Street Corners”: Unveiling the unseen lives](#)

Nowadays, an increasing number of young Kuaishou documentarists are focusing their cameras on people who are accustomed to hiding in urban corners, remaining unseen. Following the lenses of these documentary creators, people are also exploring various “street corners” that are usually overlooked, witnessing “the hustle and bustle, where stories come to life”.
