As the short video and live broadcasting industry grows in a healthy and high-quality manner, it has created a vast range of employment opportunities. On December 7, Kuaishou, the Experimental Art School of Sichuan Conservatory of Music, and Sichuan Fanxing Entertainment Culture Media Co., Ltd. held a signing ceremony and announced that the three parties have reached a strategic cooperation. They will jointly build internship and training bases to cultivate high-quality streamers in order to inject new vitality into the live broadcasting ecosystem while better supporting the employment of college students.
