Chongqing Morning Post : [Female college lecturer delivers a live session of “Love Lesson” on the “Lecture Room”, attracting 1.86 million viewers](#)

On December 15, Wan Manlu, an associate professor at Chongqing University and lecturer on the “Lecture Room”, delivered an engaging “Love and Growth” lesson during the latest live broadcast session of the “New Knowledge as Teacher Says - College Season” jointly organized by Chongqing University and Kuaishou. In a distinctly poetic style, peppered with rich historical details and intriguing perspectives, the professor led the students on a journey through ancient times with the use of age-old family letters and classic poetry, helping young people form a healthy understanding of love.
