At the turn of the year, Kuaishou evaluated and identified over 100 top broadcasters for the year 2023 based on three aspects, namely influence, expressiveness and growth. Their high-quality creations throughout the year not only showcased a variety of cultures, but also reflected the many realities of life. With their dedication and passion for live-streaming, more than 100 broadcasters, including Yan Wei'Zhi Xiao Er (閻偉'職小二) and Wu Wen (武文), have proven in this year that: every kind of life is worth sharing, and every dream will eventually come true.
