

As announced in the Corporate Social Responsibility Report 2023 of Kuaishou, skill trainings of “Happy Lecture Hall” are extended to a million people

2024.06.07

Xinhuanet.com : [As announced in the Corporate Social Responsibility Report 2023 of Kuaishou, skill trainings of “Happy Lecture Hall” are extended to a million people](#)

Kuaishou Technology published the Corporate Social Responsibility Report 2023 of Kuaishou. The report focuses on the social responsibility philosophy of “Trusted Connection, Inclusive Value”, and presents the public welfare activities Kuaishou conducted in the past year to facilitate users in creating a happy life, stimulate the industry and build a better society. From the two perspectives of digital skill trainings in the “Happy Lecture Hall” and teenager support, the press release in the report unfolds the responsibility and value of Kuaishou in the two fields of skill training and teenager.
